This letter and DVD mailed to over 300 Bishops, Archbishops and Cardinals in the United States of America and to Pope Benedict XVI.

Enclosed please find a DVD and printed material telling how comedian and human rights activist Dick Gregory and Catholic Priest Father George Clements founder of the "one church-one child" adoption program helped me to become a recovering racist and recovering anti-semitite.

October 1, 2005, at the invitation of Sister Anita Baird DHM Director of the Chicago Archdiocese office for Racial Justice, Dick Gregory and I participated in the Unity Rally offered to the Catholics of Chicagoland.

I feel that the enclosed Catholic New World newspaper best captures the important and truly ontarget comments by his Eminence Francis Cardinal George " Racism is the original sin of American Society." "The sin, the crime, the tragedy, the horror, of racism is not a good thing to rally around-but it is a good thing to challenge us to take notice." "It will take all the resources available including the grace of God to change people's hearts!" The need was made heartbreakingly clear in the wake of Hurricane Katrina when most of the people left stranded were poor and african american.

We are are mailing this letter and DVD to every Catholic Archdiocese in America to let you know that we, Dick Gregory and I, would be delighted to be invited to bring our message of " Cultural Diversity... For Peace" to a Unity Rally in your Archdiocese.

Please do not hesitate to call me on my cell. 630 235 8673 if you have any questions.

May God help and bless all of us!

Cultural Diversity... For peace

Lord make me an instrument of peace. Where there is hatred let me bring love. Where there is doubt let me instill faith. Where there is darkness let me bring light. Where there is sadness let me bring joy.

Oh divine master grant that I may not so much seek to be understood as to understand, to be consoled as to console, to be loved as to love for it is in giving that we receive, it is in pardoning that we are pardoned and it is in dying that we are born into everlasting life.
